 routes :root to recipes#index (REQUIREMENT 9)

Failures:
 RecipesIntegration goes to the recipe's URL sanitizes recipe title
 # ./spec/requests/recipes_spec.rb:25

Finished in 1.3 seconds
13 examples, 1 failures, 0 pending

Randomized with seed 23992

=== Comments ===
Very good job on this assignment. I had to dock off a bit since you did not sanitize your URLs.
